Client Testimonials

Terry Moffat
Chairman
ETEK

Our Engagement with Vernalis yielded results beyond my highest expectations. I am confident that ETEK is now on the path to rapid growth and high profitability aiming to become the leading Cybersecurity company in Latin America.

Ravi Chopra
Chairman
Piaggio

My in-depth interactions with the Vernalis team have been very meaningful. Their findings have enabled the management to identify strategic initiatives to become a World Class Organisation

Compared to Other Consultants, Vernalis has very high Integrity. They understand problems at ground level so they can be solved forever.

Sridevi Rao
Director - HR
South Asia, Kantar Insights

Vernalis led Re-structuring and transformation project at IMRB. The project has given the company a simpler, cleaner structure, brought in role clarity, introduced a fair & transparent performance management process & a unique framework for Leadership Development.
